Our responsibility was to report on these condensed interim financial statements based on our review.

We conducted our review in accordance with the requirements of the national standards of auditing issued by the National Chamber of Registered Auditors and International Standard on Review Engagements 2410. We planned and performed our review to obtain limited assurance that the condensed interim financial statements are free of material misstatement. We conducted the review through analysis of the condensed interim financial statements, inspection of the accounting records, and making enquiry of the Management Board and employees responsible for finance and accounting at the Bank.

The scope and methodology of a review of condensed interim financial statements differs significantly from the scope of an audit that constitutes a basis for expressing an opinion on compliance with the applicable accounting principles and policies and the fairness and clarity of the financial statements and as a consequence we are unable to express an opinion on the attached financial statements.
